Dear Steph,

Please see below feedback regarding the service we have had from your company;

**Completed a number of jobs for our business**

From start to finish, from the ladies organising contact between our tenants for access to the contractors attending, and most of the time being able to fix issues on-site, great company to work with never any issues and always leave the properties tidy, looking forward to continue working with yourselves in the future.

**Score Breakdown**

- Workmanship**10**
  - Reliability & timekeeping**10**
  - Tidiness**10**
  - Courtesy**10**

I have also popped on a review on Checkatrade, Ace by name Ace by nature!

Yours sincerely,
